Know Yourself, Grow Yourself

Today I am grateful for... (Write down three things)

Something amazing that happened today:

Acts of kindness I have done. Write these in one of the leaves.

Acts of kindness that have been done to me. Write these in the other leaf.

What are my intentions for tomorrow:

Know Yourself, Grow Yourself

**What are you feeling?
It's OK not to feel OK**

Feeling anxious, angry, sad, overwhelmed?

Take a moment to stop...
and breathe

Think

I can do this. I can get through this. This will pass.

Ground yourself
Breathe calmly and focus on...

5 things you can see
4 things you can feel
3 things you can hear
2 things you can smell
1 thing you can taste

Talk to a trusted adult about your feelings
